## **YET ANOTHER NEW MEMBER!**

We have another returning member! Don Weston ([bladnut@gmail.com](mailto:bladnut@gmail.com)), an accomplished photographer of New Britain, fortunately decided to rejoin the Charter Oak community.

Please reach out to him and make him know that he is genuinely welcome.

## **MESSAGE FROM THE PRESIDENT** **[from Gert Perry]**

Charter Oak has welcomed fifteen new members so far this season...the largest number in recent years! Our enthusiasm, dedication, and offerings have certainly been made evident with this influx. Having more members (along with current ones) gives an even wider range of input and ideas. If you know someone who would be interested in visiting and/or joining, please invite them to attend a meeting. After all, if a current member brings in a new one, they get a ticket toward our year end raffle....a free membership for the 2026-2027 season!

Among our many appealing resources, we have a marvelous website, our newsletter...The Focus, photo galleries, and links to topics related to photography.

Perhaps, you know of a good place for a nearby field trip....Please let us know.

Coming up this month is another wonderful in-person Workshop presented by Steve Silk and Mark Teitelbaum. We will enjoy socializing before the meeting and learn from their presentation. We hope you are able to attend.

The Program Meeting for February is presented via Zoom by Henry Doyle of Kentucky. He is a young man who is sponsored by Hunt's Photo.

It takes many behind-the-scenes workers to make our club work well. It would be impossible without them. Perhaps, you might want to become a part of this process! If so, just inquire!

## COPS GENERAL CLUB NEWS

- 1)** February's Competition Specified Topic is "Geometry In Nature (Macro)". Looking up close to see the world a bit differently is the key here. You are welcome to submit your images in this category, and all other categories, **until February 8th at 11:30pm**. The Competition Meeting will be conducted via Zoom, as usual, and is scheduled for February 16th at 7:15pm.
- 2)** In January's competition, we saw some really beautiful work by a good number of our fellow Members. Winning images were submitted by; Steve Potashner, Lynda Hintz, Steve Silk, Stan Tetrault, Paula Fink, Chris Thomas, Cindy Gosselin, Laura Reinwald, Mark Teitelbaum, Marci James, Rich Rosania, David Hintz, Ira Scheinerman, Jim Oliphant, Mark Fox and Pam Hastings. Their fine work is posted on the COPS Main Website. In the menu, select GALLERIES > COMPETITION WINNERS > 2025-2026 January.
- 3)** We are continuing the inclusion of **snacks** availability during our monthly in-person meeting. This is an opportunity to enjoy some **goodies** and chat with other Members in the kitchen both before, and during, the meeting. To make this happen, we need volunteers to bring **snacks** such as **cookies/cakes/etc.** **Please offer** to express your support by letting Gert Perry know via email at [gertp@att.net](mailto:gertp@att.net) prior to the in-person meetings what you are prepared to contribute.
- 4)** Now that we are past the middle of our 2025/26 season, we would like to hear from **YOU, our membership**, on how well the current Programs and Workshops are meeting your needs and expectations.  
Are there any topics which you would like to see in the future?  
[e.g.- AI, portrait posing, Sport or Travel photography, drone photography, or any particular software and tools that you want to know more about.]  
**Please help** us better serve you by giving us your thoughts and suggestions. We will try our best to incorporate what you would like to see in future seasons. Send an email to Joyce Niejako ([jen0922@mac.com](mailto:jen0922@mac.com)) at your earliest convenience, so your input can be reviewed and discussed. **THANK YOU!**

## IN-PERSON WORKSHOP: FEBRUARY 9th

Join us on February 9th for **“Fix Your Photo”**, a hands-on session for which participants previously submitted RAW files (preferable), or JPEGs, which they’re struggling to edit—whether the problem is technical, creative, or simply “I’m not sure what this image wants to be.” In the workshop, using Lightroom/ACR, Mark Teitelbaum and Steve Silk will walk through practical, clear solutions to these challenges, showing multiple editing approaches and explaining why they work.

As described in earlier MailChimp messages sent to all Members, Mark and Steve have chosen from images sent to them prior to January 3rd via email or WeTransfer.

Please join us in person on Monday, February 9th at **7:15 PM** at the First Baptist Church, 90 North Main Street, West Hartford, and come ahead of that for refreshments and socializing.

## PROGRAM MEETING: FEBRUARY 23rd

Our speaker for February’s Program Meeting is Henry Doyle. He will be talking to us on the subject of “Nome Alaska”. Henry will describe his trip to the inspiring landscape of Nome. Within the tundra, he was able to find and photograph captivating species, like; the bluethroat, red-throated loon, and musk oxen. Join our Zoom meeting on Monday, the 23rd to enjoy some photos from his trip (see example on next page) as well as the stories behind those images.

Mr. Doyle is a 21-year-old wildlife photographer and conservation advocate specializing in avian subjects. Since picking up a camera in 2018, his work has taken him to Africa, Alaska, and beyond in pursuit of striking bird and nature imagery. A student of Economics, Sustainability, and Society at Xavier University, Henry combines his love of photography with a mission to protect the natural world. He has guided birding tours for events like The Biggest Week and Michigan Audubon and has delivered over 30 webinars on nature photography.

## MEMBER-to-MEMBER SALES/GIVEAWAYS

## **REMINDER: PERSONAL GALLERIES INTRODUCTION [from Steve Potashner]**

**The COPS Main Website offers an excellent opportunity to display ‘Personal Galleries’ of members’ images.** Each gallery is similar to a mini portfolio of images chosen by the participating member, and can contain up to 20 images (minimum of 6). Some or all images may be changed at any time. These galleries present an opportunity for members who do not compete regularly, and those who do, to display examples of their best images.

Examples of Personal Galleries can be found here .... <https://charteroakphoto.org/personal-galleries/>

**If you have not yet made a Personal Gallery and are interested in displaying one**, please select your images and resize them as indicated below. Then, send me an email ([sjpotashner@sbcglobal.net](mailto:sjpotashner@sbcglobal.net)) stating that (1) you “... would like to display images in a Personal Gallery on the COPS Main Website” and (2) attach your images to the message. We all look forward to seeing your Gallery.

**If you already have a Personal Gallery**, you may replace some or all of your gallery images, or enlarge your gallery (maximum of 20 images), at any time. To do so, send an email message to me ([sjpotashner@sbcglobal.net](mailto:sjpotashner@sbcglobal.net)) and, (1) identify any images which should be deleted from your current gallery. If you want to enlarge your gallery, state that in the message, (2) Attach the new images to the message. New images should be sized as indicated below.

**Image size:** Longest dimension = 1440 px; resolution = up to 300 dpi; file type = .jpg; file size < 2 MB.

Remember, some email apps reduce the size of images attached to email messages, so set your email app to send full size images.
